The Power-Pod™ is so easy to use...

1 Connect the Flexible Hose to the Power-Pod™

•For convenient storage, secure the hose behind the hose lock and wrap the rest of the hose around the pod, attaching it to the hose dock.

2 Attach any of the Specialized Cleaning Tools included

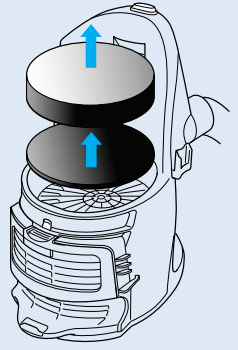

Dusting Brush
for dusting household items

Crevice Tool
for reaching into tight areas

Upholstery Brush
for fast and easy removal of pet hair

To optimize the performance of your vacuum, we recommend washing the filters monthly and tapping loose debris off of them in between washes as needed.
