Shark

MATRIX™ PLUS

QUICK START GUIDE
UR2360S Series

Robot Setup:

1 **Set up Self-Empty Base**
- Remove any plastic wrap and foam from the robot and base.
- Place base in a location with a strong Wi-Fi signal.
- Dock LED will turn green when powered ON

Note: Check between the bumper and wheels to ensure all protective materials are removed prior to robot use. Place dock on clean, bare floor.
